

# Turn growing customer demand for safer, contact-free payments into a competitive advantage for your business

The 270+ million customers on the Discover® Global Network are decidedly moving to contact-free payments, and in fact, the majority of our U.S. cardholders to convert to contactless cards by the end of 2020.

2019 - 2020

↑ 152%

Growth of Discover in-store contactless spending within the U.S. (YOY)<sup>4</sup>

↑ 85%

Growth of Discover in-store contactless transactions globally (YOY)<sup>4</sup>

Acquirers and merchants can count on unparalleled service and responsiveness from Discover.

### True Partnership

We work hand-in-hand with our partners to implement the right contactless payment solutions for their customers, without a lengthy upstart process.

### Greater Opportunity

We're enabling merchants to accept payments from 20+ card networks around the world, ensuring they can welcome customers from key travel corridors.

### Constant Innovation

Our solutions are supporting new market segments for merchants and acquirers, such as our technology that allows payment cards and digital wallets to replace transit tickets.

Merchants everywhere are embracing the convenience and safety of contactless payments.<sup>1</sup>

**86%** Say it has decreased transaction times

**81%** Say it has shortened lines

**78%**

Say it has improved their satisfaction
