

FOR ISSUERS

Date Form Completed _____

Discover requires certification in order to participate in ProtectBuy. To complete ProtectBuy certification, all required test cases must be successfully completed and correctly match the expected results.

Certification Pre Requisites

- Must be certified by Visa® for 3D-Secure Protocol—Attach proof of certification to this request.
- Must support either Discover Release 15.2 technical specifications (with ProtectBuy fields) or Diners Club® Core Release 12.1 or higher.
- Must request ProtectBuy Certificates from Discover Certificate Authority and load on internal server prior to certification.

All fields are required unless otherwise specified.

Steps:

- The Issuer or ACS Host must complete Section 1 and 2 of the form.
- The completed form must be emailed to the Discover Account Executive (AE).
- The Discover AE reviews the form for completeness, and completes the lower section of the form.
- The form is then Submitted to the ProtectBuy Certification Team:
- The ProtectBuy Certification Team will:
 - Schedule Certification:
 - Prepare and send all required Test Cases based on Certification Type.
